

# Teacher On Tinder

A Sophomore at HTHCV named Anthony Carson decided to make a fake Tinder account after Dr.P bored him to death in Humanities with his boring project. As Anthony was searching Tinder, he swiped left and found out that his teacher was on tinder finding a partner. Anthony decided to prank his teacher and pretend he was a man trying to find a partner as well. As Anthony talked to their teacher, Anthony found out that their teacher is a part-time stripper. Anthony decided to share this information and expose the teacher causing them to be known as Mr/Ms. Stripper.
